Topps Tiles

## Highlights

- Total revenues of $£ 86.6 \mathrm{~m}$, a decrease of $2.8 \%$
- \#1 goal remains to take profitable market share
- Continued evolution of the Topps Tiles offer, supported by targeted advertising and staff training initiatives
- Net promoter score at $89.9 \%$ (2011: 88.3\%)
- Gross margin at 59.7\% (2011: 59.7\%)
- Adjusted profit before tax of $£ 5.6 \mathrm{~m}$ (2011: $£ 7.2 \mathrm{~m})$
- Prudent development of store estate - 13 stores have been newly fitted out and a further 20 partially refitted
- Interim dividend - 0.5 pence per share

## Topps Tiles

## Marketing

- Marketing strategy is focussed on broadening appeal whilst continuing to concentrate on core customers
- Activities to drive awareness and footfall - National TV campaign / C4 news and ITV Daybreak sponsorship for H2
- PR activity and advertorials key in attracting new customer groups
- Catalogue continues to develop and is primary vehicle for the business

## Marketing - Internet

- Key marketing tool - website is often first point of call for pre-purchase research
- Closely integrated with in-store
- Online fulfillment through stores
- Encouraging response to improved website
- Average of 400,000 visits per month, with 4.6 m page views
- WWW based "visualiser" - options for store trial being considered
- Primarily a research tool but online sales also important at c.1.5\% of turnover

## Topps Tiles

Business Strategy

## ToppsTiles

## Business Strategy - Customer Service

Strategy continues to focus on engaging our people to deliver outstanding service to our customers

- Customer satisfaction and conversion remain very high - NPS of $89.9 \%$
- Friendly, knowledgeable, helpful, honest staff - never pushy
- Results driven - commissions, balanced scorecard, mystery shop
- Staff engagement score of $82 \%$
- Share ownership encouraged amongst employees

- Internal communication
- Training - specialist product knowledge essential (on line training \& face to face)
- Apprenticeships - over 600 colleagues are involved with our NVQ programme

## Topps Tiles

## Business Strategy- Product Offer

## Range

- Choice and availability are key
- Exclusive ranges and development of in-house brands

- Specialism - focussed on one product area
- Trends continue towards larger formats, porcelain and stone imitations

## Visual Merchandising

- Merchandising is a competitive advantage - e.g. extended use of photography, improved lighting and displays
- Trials of new merchandising treatments in H 2

## Business Strategy- Locational Convenience

- 320 stores across the UK currently trading, target of 325 for year end
- 13 stores fully fitted in H1 (5 new stores, 7 conversions, 1 relocation)
- Conversions from TCH trading well, improved performance and greater synergies, majority now completed
- Lab store in Milton Keynes will trial a variety of new fixtures, fittings and merchandising treatments aimed at further improving ROI in this area
- Due to be complete by end of Q3

- Warehouse disposal planned for H2 - c.£3m cash inflow

## Outlook / Summary

- Current trading is encouraging at $+4.5 \%$ LFL, but too early to determine a broader trend
- Plans to finish FY12 with 325 stores
- New IT systems planned for October 2012
- Warehouse disposal to generate c.£3m cash inflow
- Continue to focus on our overriding goal of taking profitable market share
